 - c. Read the following from April minutes under renaming and turned back over to Dori to bring application to next meeting:
 - i. Principals want as much centralized as possible for consistency
 - ii. Anything permanent or fixed needs to go through a process.
 - iii. Suggestions include a form or application per building that people complete.
 - iv. Next step- Dori to draft application for anyone to complete covering all bases using the policy to drive this application. This draft will be brought back to Policy committee.
