MEETING SUMMARY:

Date: June 24, 2026 **Location:** 6638 Mill Road, Brecksville, Ohio

Roll Call: Board President Mark Dosen, Board Vice President Tish

Kwiatkowski, Board Members Eva O'Mara, Lisa Galek, and Brad Chase were all present.

President's Announcements

Board President Mark Dosen opened the announcements by wishing everyone a happy summer. No other announcements were made.

Board Areas of Responsibility

- **Co-curricular & Extracurricular:** Board Member Lisa Galek reported a strong finish for spring athletics. The girls' track and field team sent four qualifiers to the state championship, with Anna finishing second in the state for the 800m run. The boys' baseball team won the district championship for the first time since 2009 and reached the regional finals. Softball player Rowan was named All-Ohio Player of the Year for Cuyahoga County. In other extracurriculars, Ben's artwork was selected for

the top 25 in the Governor's Youth Art Exhibit and will be featured on next year's promotional materials. The Academic Challenge team placed second in their championship and won a \$5,000 grant. The mandatory "Meet the Bees" athletics meeting is scheduled for August 10th at 6:00 PM.

- **Curriculum:** Board Vice President Tish Kwiatkowski stated that the curriculum department is deeply engaged in summer data analysis. Early trends show more students reaching advanced and accomplished tiers in state testing, and the district is narrowing the achievement gap for English Language Learners. Significant gains were seen in 3rd, 5th, and 6th-grade math and ELA. The high school also saw strong gains, including 97% proficiency in US History and a jump from 86% to 91% proficiency in ELA. Additionally, 47 professional development sessions have been approved for teachers this summer.
- **Cuyahoga Valley Career Center (CVCC):** CVCC will soon offer new cooking and wilderness survival classes to the public. Several BBH students performed excellently at the HOSA Future Health Professional Organization Conference in Philadelphia, including Madi Zemko, who was elected as an Ohio state officer.
- **Finance:** President Mark Dosen reported that the district had a stellar audit and all is currently quiet.
- **Legislative:** Board Member Brad Chase noted that the legislative year has ended, and the district will closely monitor the upcoming lame-duck session.
- **Permanent Improvement Facilities:** Mr. Chase shared that numerous summer projects are underway, which were highlighted in a recent email from the superintendent. The committee toured the middle school last month and will tour the high school next. Superintendent Jeff Harrison publicly thanked Brian for his exceptional work managing the numerous contractors on site.
- **PSO & Safety:** Both areas are currently quiet as they wrap up the previous year and prepare for the fall.
- **Schools Foundation:** Mrs. Kwiatkowski noted the Foundation is very excited about the innovative grant applications they have received from staff.
- **Sustainability:** Mr. Chase highlighted the ongoing recycling grant, which will provide new bins and signage for the fall. A partnership with Star Sports to recycle gently used "Bees" clothing is going well, raising funds for the Schools Foundation.
- **Transportation:** Mr. Dosen reported all is quiet.

Superintendent Communications and Presentations

Superintendent Jeff Harrison reported that the district is in excellent shape regarding staffing for the upcoming year. The certified staff positions are mostly filled, though the board may need to hold a brief special meeting before July 10th to approve a specific elementary hire. The district continues to seek bus drivers, custodians, and aides. The bus driver pipeline remains consistent, with a few substitutes and retirees willing to help when needed.

Treasurer's Communications

Treasurer Craig Yaniglos debuted a new financial reporting layout designed to improve consistency from month to month. At the end of May, the district had a cash balance of \$24.4 million, representing 151 days of cash. While personal services and employee insurance benefits are trending upward, it is in line with expectations. Total expenditures are within less than a one percent variance from the February financial forecast. Mr. Yaniglos also presented an investment dashboard, noting that the main custodial account managed by RedTree Investments yielded 4.16% for the month. The investments remain fully compliant with board policy.

Consent Agenda

The Consent Agenda included the approval of certified, classified, and supplemental personnel recommendations, the check register, donations, and meeting minutes from May 20 and June 1. During the discussion, Mr. Harrison highlighted the resignation of a retired rehired after her part-time position was expanded to full-time. He also welcomed Broadview Heights resident Scott Saylor to the curriculum department and announced the retirement of Leslie Lobby, the district's EMIS coordinator and registrar, effective August 31. Mr. Yaniglos noted cash donations made to the lacrosse, boys' basketball, and girls' softball teams.

- **Vote:** The Consent Agenda passed 5-0.

Superintendent's Recommendations

The board reviewed and passed several recommendations from Superintendent Harrison. They officially approved the graduating class of 2026, a process done post-graduation to ensure total accuracy. The board also approved the 2026-2027 school handbooks. Multiple annual service agreements and tuition contracts were renewed for students requiring specialized care, including the ABA Outreach Services, Kids Link School, Cleveland Clinic Learner School for Autism, Gerson School, Adult Day Transition Services, and United Cerebral Palsy.

Additionally, the board approved an MOU for a step placement correction, team trips for high school track and field and cross country, updated administrative personnel guidelines reflecting a title change for Megan Bolton, a UniFirst agreement, and a Gateway Performance Tour agreement for a 2027 Orchestra trip to New York City. Finally, the board approved a three-year renewal of the School Resource Officer MOU with the City of Broadview Heights, where the district continues to pay 70% of the cost for one officer. The board also gave public notice of the intent to rehire Kimberly Penna as a part-time special education teacher at the high school following her retirement.

- **Vote:** All Superintendent's Recommendations passed 5-0, except the cross country trip, which passed 4-0 with Mr. Chase abstaining.

Treasurer's Recommendations

The board reviewed and passed multiple recommendations from Treasurer Yaniglos. They approved an Asset Control Solutions (ACS) agreement to conduct a full physical inventory of district property over \$5,000 to maintain compliance with federal and state regulations, as the last inventory was completed four years ago. The board renewed its Minute Men retainer for workers' compensation and approved the purchase of two new student transportation vans, bringing the fleet total to seven.

Significant discussion occurred regarding a Worker Injury Solutions proposal, which will be 100% funded by a Bureau of Workers' Compensation grant. This program provides supervisor training and expert job analyses to determine physical restrictions, helping injured staff return to light duty safely and mitigating rising claim premiums. The board also authorized a partnership with QuickMed Occupational Health to give injured staff VIP line-skipping access and provide complimentary fall sports physicals for students.

The board approved the 2026-2027 Pay-to-Participate fees. Mr. Yaniglos noted the district's cost share continues to grow—absorbing \$36,000 at the high school level and \$7,900 at the middle school level for fees exceeding the board's 50% cap. Mr. Dosen and Mrs. Galek emphasized that these fees are calculated strictly using coaching salaries and transportation costs. Despite community frustrations, they noted the system remains the most equitable, data-driven approach to maintaining extracurriculars without straining operating funds. Other approvals included the disposal of old weight room and robotics equipment, summer change orders for tennis court repairs, the Hilton Driveway project, and pavement improvements. Fund transfers were approved for the Fieldhouse, CAPA, and turf replacement funds, with Mr. Yaniglos noting that the athletics department required no transfer this year due to positive balances. Finally, the board approved its annual insurance policies; property and liability increased minimally, but the cyber policy doubled to \$21,000 and required stringent security overhauls. Final FY26 budget adjustments and the FY27 certificate of estimated resources and appropriations were also approved.

- **Vote:** All Treasurer's Recommendations passed 5-0.
