

GOOSE CREEK CONSOLIDATED INDEPENDENT SCHOOL DISTRICT

SHEILA V. CANTU

DIRECTOR OF PURCHASING & WAREHOUSE OPERATIONS

The district operates multiple facilities that require ongoing maintenance and upkeep. This award will establish a pool of pre-qualified vendors to supply the materials and building supplies necessary to support these efforts. Having a vetted list of vendors ensures timely access to reliable, compliant, and competitively priced products, allowing maintenance staff to efficiently address routine and urgent needs across all facilities. This award applies to materials and supplies only and does not include services such as Job Order Contracting (JOC).

A Competitive Sealed Proposal (CSP) #26-010, *Maintenance/Building Supplies & Materials*, was issued to over one hundred (100) vendors. Nine (9) responses were received and opened by the Purchasing Department on Friday, February 27, 2026, from the following vendors:

- Du-West Construction, Inc
- HSQ LLC dba Superior Air Quality
- Pittsburgh Paints Co.
- R&E Industrial, LLC
- Shiffler Equipment Sales, Inc
- Steel Supply, LP
- TMS South, Inc
- Unipak Corp
- WW Grainger

An evaluation committee comprised of representatives of various departments was convened to review and assess the proposal. The committee evaluated the responses based on the criteria outlined in the CSP, each category was scored individually, and the totals were compiled to determine the overall ranking.

Based on the evaluation results, the evaluation committee recommends awarding the proposal to all responsive vendors listed above.
