~~The Board of Education shall cooperate with the news media in providing the public with pertinent facts concerning the schools. The Superintendent shall serve as the basic source of information regarding the school system.~~

~~The Board of Education encourages the attendance of the news media at all open Board meetings.~~

~~The Woodbridge Board of Education supports the recognition efforts of local and regional publications and media in reporting the accomplishments, achievements, awards and honors of students. Local cable access, TV, newspaper and school newsletters from time to time seek opportunities to take pictures or write of school activities and student accomplishments. It is the policy of the Woodbridge School District to make this information routinely available, under most conditions, unless parents have requested in writing, in advance, that they do not wish to have information concerning the school activities of their child published.~~

~~The Board permits the interviewing, videotaping or photographing of students during the school day only when such activities, in the judgment of the Principal or Superintendent, do not disrupt the educational program, tend to cause undue confusion, or involve a controversial issue of a political nature. Publicity efforts as noted would take place under the guidance of school staff and with the restriction that the names or other identifying information of the involved students will not be provided without the prior written approval of the parent(s) or legal guardian of the student.~~

~~Individual interviews of students on camera or for publications will not be permitted without the prior written approval of the student's parent or guardian.~~

~~The Woodbridge School District will comply with parents' written requests in support of the interests and wishes of parents.~~

3. The media may interview and photograph students involved in instructional programs and school activities including athletic events if authorized by the Principal provided that their presence will not be unduly disruptive.
4. If, in the judgment of the administration, the presence of any photographer, broadcaster, or news journalist causes such disruption that orderly conduct of the activity becomes unfeasible, access by these individuals may be limited to the extent necessary to remove disruption.
5. News media personnel who intend to photograph, broadcast, or record for broadcast student activities shall provide appropriate identification to the school administrator, if requested, prior to access.
6. Only news media personnel employed by a newspaper, radio or television broadcasting company, or personnel of a recognized student news medium assigned to cover the activity shall be permitted to photograph, broadcast, or record for broadcast, such activity.
