

SCHOOL BOARD MEETING REPORT

Board Meeting Date: 03/11/2020 **Superintendent:** Dave Valenzuela

Administrator/Staff: Keith Haley

Type of Item: Informational Action

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

Hidden Valley Foods/Business teacher Keith Haley is requesting permission to attend an educational conference in San Diego Ca., June 12-14, 2020. Dave Burgess Consulting LLC Pirate-Con. Keith is planning to pay for the conference and travel himself.

Provide history/background information on your proposal:

Dave Burgess author of education series "Teach Like a Pirate" and the line up of speakers is one compelling reason to attend this conference. The main keynote speakers are Dave Burgess, Kim Bearden, Hamish Brewer, Jimmy Casas, and George Couros.

There will also be more than fifty other educational authors leading every single session. Some educators travel to many conferences around the nation just to learn from one or two of these outstanding educators, and they will ALL be under one roof at DBC Pirate Con 2020.

This event will provide professional learning in relevant and timely topics such as Innovative Teaching Methods, Leadership and School Culture, Equity, Restorative Practices, Technology and Education, Engaging Students in Mathematics, and many other educational practices that will promote self-reflection and goal-driven improvement not only for me as an educator but those I serve as well.

List the advantages of your proposal:

This is an opportunity to network and meet "out of the box" educators from around the country. The conference will expose attendees to higher engagement classroom techniques and philosophies, that can be applied to TRSD classroom. From this conference Keith Haley plans to improve the effectiveness of his classes, which will directly effect student engagement and have a positive impact on attendance and graduation rates at Hidden Valley High School. There is no need for a substitute.

List possible disadvantages of your proposal:

None

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

None

Superintendent's recommendation(s):

Approve: Yes No
