ARGYLE INDEPENDENT SCHOOL DISTRICT

BOARD MEETING DATE:	April 20, 2026
AGENDA ITEM:	Waste Management Services
AGENDA LOCATION:	Information Only ▾
PRESENTER TITLE & NAME:	Tommy Ledford
DEPARTMENT:	Operations
PRIORITY FOCUS AREA:	Resource Stewardship ▾

BACKGROUND INFORMATION

We have historically used our current waste management service provider under the understanding that we were required to do so because the company held a franchise agreement with the town. However, we have recently confirmed that the Texas Education Agency recognizes school districts as governmental entities, and therefore, we are not obligated to use a municipally franchised provider.

As a result, we conducted a competitive quote process and identified an alternative service provider that would yield annual cost savings of over \$50,000. Given this significant financial impact, we respectfully request your consideration in allowing us to transition to the new waste management service provider.

BUDGETARY IMPACT & FUNDING SOURCE

Changing the waste management service provider will save the district over \$50,000 annually.
