

**GOVERNING BOARD AGENDA ITEM  
AMPHITHEATER UNIFIED SCHOOL DISTRICT NO. 10**

---

**DATE OF MEETING:**       **June 9, 2026**

**TITLE:**           **Approval of Summer Institute Teacher Stipends**

---

**BACKGROUND:**

The District may offer stipends to teachers and in-house trainers for attending or preparing professional development training sessions. Available M&O, Title II, and/or other professional development funds may be used for this purpose.

**Teacher Training:** \$175.00 per 6-hour training day for returning teachers who have signed contracts for the ensuing school year. The training session information will clearly indicate the intended audience for the training and whether participants are eligible for the stipend. Teachers who meet the intended audience criteria will be eligible to receive the stipend (e.g., third grade teachers responsible for reading instruction, sixth grade teachers responsible for science instruction, etc.).

**Trainer Stipend:** \$300.00 per six-hour training day (inclusive of any preparation time prior to the workshop). The District employs staff members with expertise in areas aligned to professional development needs. When appropriate, the District may utilize qualified employees as trainers in lieu of outside consultants. Employees serving as trainers will be eligible for the trainer stipend.

Summer Institute stipends will be available subject to the availability of designated funding sources and District approval.

---

**RECOMMENDATION:**

It is the recommendation of the Administration that the Summer Institute Teacher Stipends be approved and as presented.
