RE: **Contract Award Request for Bid No. 17.01**  
Asbestos Abatement  
Global Green Service Group  
Churchill High School

Dear Mr. Harry Lau:

Sealed bids for asbestos abatement activities at Churchill High School were received on Monday, January 30, 2017, and opened by representatives of Arch Environmental Group, Inc. (AEG) and Livonia Public Schools. AEG has reviewed and evaluated the submitted bid from the estimated low, qualified bidder, Global Green Service Group and conducted a post-bid meeting to discuss the scope of work and schedule for Bid No. 17.01 ("Churchill High School 2017-2018 Summer Abatement"). AEG has determined that the submitted bid was inclusive and correct. **AEG requests that a Purchase Order or contract be issued in the amount shown to:**

<u>Contractor</u>	<u>Contract Award</u>
Global Green Service Group 27113 Powers Dearborn Heights, MI 48125 Phone: (734)968-0846 Fax: (313)291-2399	\$455,191.00 - Estimated

The estimated contract amount above is based on strictly on the scope of work and schedules outlined in the construction meeting with Livonia Public Schools, Plante Moran, and Auch Construction using approved drawings from French and Associates on Tuesday, January 31, 2017, at 2:00 pm, at Churchill High School, Main Office Conference Room.

A complete bid tabulation for the bid with the selected bid highlighted is attached, as well as copies of Global Green Service Group's submitted bid form for Bid No. 17.01, "Familial Relationship Disclosure Statement", "Affidavit of Compliance – Iran Economics Sanctions Act", and "Equal Opportunity Statement".

Due to the fact that the scope of work and schedule for the abatement activities have not been finalized, AEG recommends that a zero dollar sum contract be awarded, whereby all abatement activities will be paid via change order submitted after each phase of the project. Change order amounts will be determined based on the total approved amount of asbestos materials removed and the unit pricing submitted as part of the bid.
