Board of Trustees Agenda Item

DECATUR
INDEPENDENT
SCHOOL DISTRICT

To: Board of Trustees
From: Taylor Williams
Subject: 4 Month Fuel Contract TASB (Sept-Dec)
Meeting Date: June 15, 2026
Type of Item: Information Presentation Consent Agenda Discussion Action
Supporting Documents: Yes No

Background Information and Rationale:

Normally, Decatur ISD joins the TASB Fuel Cooperative to secure the best available and guaranteed pricing for vehicle fuel. Due to the current volatility in the oil market, TASB is offering a 4-month fuel contract in anticipation that fuel prices may decrease after December, at which time they plan to offer an additional 8-month contract. Without entering into this contract, the district would be forced to purchase fuel at market rates or at a significantly higher fixed rate. Our current fuel contract remains in effect through August 2026.

Support of Strategic Goals:

- 1.1 Students will be safe and secure.
- 4.3 DISD will provide operational efficiency, effectiveness, and transparency to maximize tax payer dollars

Fiscal Implication:

\$71,750.00

Administrative Recommendation:

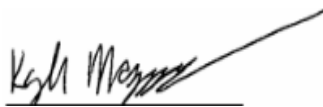

Administration recommends approval of the TASB 4-month fuel contract to secure stable and competitive fuel pricing for district operations while reducing the risk of higher market fuel costs.
