MEMORANDUM

To: Members of the Board of Trustees
From: Blanca I. Cruz, Associate Superintendent
Subject: Purchase of Instructional Materials – Summit K12
Date: June 11, 2026

HISTORY:

Over the past several years, our district has observed an increasing need for targeted, high-quality instructional support for emergent bilingual students. Historically, the district has relied on a combination of instructional resources and teacher-developed materials to support English language development. While these efforts have provided some support, they have not consistently offered the structured, standards-aligned practice necessary to fully prepare students for the rigor of the TELPAS (Texas English Language Proficiency Assessment System). In response to these evolving needs, Summit K12 is a comprehensive English Language Development program specifically designed to support emergent bilingual students. The program aligns with TELPAS proficiency standards and incorporates research-based strategies to accelerate language acquisition.

RATIONALE:

This purchase will include the Summit K12 English Language Development program, which is recognized as a high-quality instructional resource designed to support emergent bilingual students and enhance TELPAS preparation.

BUDGET IMPACT:

The budget impact for this purchase will be \$51, 518.60. The materials will be purchased with Title III funds. A quote is attached.

ADMINISTRATIVE RECOMMENDATION:

The administrative recommendation is to approve the purchase of Summit K12 instructional materials as presented.
