

Construction Update

January 14, 2008

1. We received the permanent certificate of occupancy on the new high school gym addition last Tuesday.
2. Punch list repairs on high school gym addition should be complete this week. (touch up painting & etc.)
3. We are in the process of replacing a few missing arm rests in stadium seating.
4. The gym floors in the practice gym and game gym have both been refinished.
5. The Junior High remodel of the Ag. facility for band is complete and working well.
6. The Junior High remodel of the Ag. classroom area for choir is almost complete. New baseboards will be installed this week.
