Technology pricing changes very quickly in today's environment, therefore please promptly approve this estimate, or state any changes you would like to make, and then submit back to NCS within 10 days. Also, please call us at 402-228-4040 should you need additional clarification on the items quoted. Sales tax will be added to qualifying items for your jurisdiction, if applicable. Thank you – we are grateful for the opportunity to serve you!

We will mount a new rack to the wall. Then terminate all cables into the rack and clean up cables. Upgrade main network switch to 24-Port PoE Gigabit switch. Install new matching patch cables to clean up items. Mount the the second shelf for a monitor to watch the camera and troubleshoot them. Monitor provided by the City.
