**2026 Summer School: Camp You Matter**

We have partnered with Teach for America to provide a unique summer opportunity for students in Preschool through 8<sup>th</sup> grade. We currently have about 180 students enrolled and continue to have students register on a daily basis.

**Training Week**

Our summer school staff participated alongside TFA corps members June 1-4 in a week of training. Important instruction strategies, lesson planning, classroom management, and other critical skills were reviewed. The feedback was very positive and we are excited about the weeks ahead with students.
