Re: 2025-26 Board Meeting Calendar

Recommendation:

It is the recommendation of the Superintendent to approve the attached FY26 Board Meeting Calendar with the Board deciding specifically on how to schedule meetings to seat the new Board and manage April's business. Additional meetings may be added at any time if deemed necessary.

Background:

We anticipate that we will be able to have our regular meeting calendar for the 2026-27 school year. This includes no meeting in July and potentially a Joint Board meeting scheduled to be held in Winfield on April 19, 2027 with Districts 25, 33, and 94.

We made 3 small alterations to accommodate programing within the district:

- 1) The October Board Meeting will be held on Thursday, October 22nd to facilitate a potential Middle School Halloween Dance on Thursday, October 29th.
- 2) The March Board Meeting will be held on March 25th so that the Drama performances can occur the week of March 15th.
- 3) The April consolidated election will be held on April 6, 2027. We will not have the official results until potentially after the April 29th regularly scheduled meeting, but Board members would need to be seated by May 21st which is prior to the May meeting. We could do a combined seating and business meeting on May 6th or do a separate business meeting on April 29th and a May seating meeting on either May 6th or May 15th.
