Humphrey Elementary:

Physical Education/DAPE 1.0 FTE

Posted via EdPost, "bumped to the top of the list" on EdPost and also made social media post on personal facebook page resulting in 40 shares. One candidate applied. Interviewed 6/23/23 and offered a position. Decline of offer received 6/26. (Received another offer over the weekend and accepted due to the location of the other offer). Currently open. Exploring teaching candidates with a potential of an OFP for variance purposes.

ECSE 1.0 FTE

Posted via EdPost. No applicants. Reviewed kindergarten candidates and interviewed candidate with K/ECSE experience (currently in a dual role elsewhere... she lives in our district). Candidate ultimately declined because of the loss of kdgn teaching opportunity.) Exploring other teaching candidates with the potential of an OFP for variance purposes. I will work with Kelly Klima on this position as it requires due process/assessment/support.

LTS for 1st quarter, Special Education/LD position

Candidates will be arranged via TOC and we have 2 quality (and qualified) candidates interested and available to support the need for Youngren's FMLA request.

Paraprofessional positions (both campuses), 5.5-7 hours

Interviewed 3 candidates on 6/20/23. Currently working on confirming assignment/campus location, trying to match skill sets with student needs. We will need to post again in August for additional needs, as we will likely need more than 3 across the district. One has been formally approached (and accepted) the position. This will go to the board for approval at the July board meeting. The other two candidates are still in the review process but worth securing for hire.

They may also be ready to move forward at the July board meeting. (We have multiple openings across the district). These positions are open due to expected resignations/retirements that came at the end of the 2022-23 school year.

UPDATE AS OF 7/6/2023: One position moving forward for board approval (J. Kittock), and another in process with the intent of approving at the regular July board meeting if paperwork is completed. If it is not completed by July 10, the second candidate would be set for approval at the July work session.
