

## 2025/2026 Energy Report

| <b>April 2025</b>                 |           |
|-----------------------------------|-----------|
| Total Electric All Buildings      | \$258,466 |
| Total Natural Gas All Buildings   | \$22,088  |
| Total Water/Sewer All Buildings   | \$49,991  |
| Total Irrigation All Buildings    | \$11,661  |
| Total Trash / Waste All Buildings | \$41,418  |
| Total Cost All Buildings          | \$383,624 |

| <b>April 2026</b>                 |           |
|-----------------------------------|-----------|
| Total Electric All Buildings      | \$254,513 |
| Total Natural Gas All Buildings   | \$20,140  |
| Total Water/Sewer All Buildings   | \$50,752  |
| Total Irrigation All Buildings    | \$35,172  |
| Total Trash / Waste All Buildings | \$45,227  |
| Total Cost All Buildings          | \$405,804 |

| <b>2024/2025</b>                  |             |
|-----------------------------------|-------------|
| Total Electric All Buildings      | \$2,930,256 |
| Total Natural Gas All Buildings   | \$433,686   |
| Total Water/Sewer All Buildings   | \$489,246   |
| Total Irrigation All Buildings    | \$293,947   |
| Total Trash / Waste All Buildings | \$355,080   |
| Total Cost All Buildings          | \$4,502,215 |

| <b>2025/2026</b>                  |             |
|-----------------------------------|-------------|
| Total Electric All Buildings      | \$2,751,862 |
| Total Natural Gas All Buildings   | \$328,489   |
| Total Water/Sewer All Buildings   | \$445,227   |
| Total Irrigation All Buildings    | \$217,253   |
| Total Trash / Waste All Buildings | \$417,028   |
| Total Cost All Buildings          | \$4,159,859 |
