Points to Consider Before Requesting Approval

Justification for Trip – How does this trip align with your school’s current 90 Day Plan, the learning standards in your classroom, and how it will improve the learning of your students? *

We would like to request approval for a two-night trip that would allow our boys and girls varsity golf teams to participate in two different tournaments in either Ruidoso or Albuquerque, if available.

We are submitting this request now because golf schedules and tournament availability in these areas are often not finalized until late July or early August. Obtaining board approval in advance will allow us to take advantage of these opportunities as they become available without missing registration deadlines.

This trip would provide our student-athletes with valuable competitive experience by allowing them to play on courses outside of San Juan County and compete against teams from other parts of the state. It would also expose them to a variety of course conditions and playing environments, helping to further their development as golfers.

⚠ Field trips must be planned within the context of the school program and must be appropriate for the age level, grade level, and curriculum. Due to limitations imposed by local conditions, field trips may be limited by the Superintendent. All field trips must be specifically approved by the Superintendent long enough in advance so that arrangements can be made prior to the trip. Before any student is taken from the school grounds on a field trip, written permission must be obtained from the parents or legal guardians. Transportation shall be provided only by District vehicles, driven by authorized personnel.

⚠ In general, field trips shall be conducted within the normal school day and shall be limited to a distance of not more than one hundred (100) miles one (1) way from the school. Longer trips or overnight trips must have Board approval. The District will not sponsor, approve, support, or encourage field trips that do not meet the criteria outlined in this policy, unless the Board gives approval after a presentation justifying the specific need for the exception.
