Board Chair Ulm and Superintendent Devine,

I have received a job offer from the Boston College Institute for Scientific Research. At this time, I will be accepting their offer.

As this job will require me to move to a new location, I will be unable to remain a resident of the Princeton School District. Please accept my resignation as a school board member, effective immediately.

While I regret being unable to serve my full term, I know that the students and families of this school district are served well by the teachers, staff, administration, and school board members.

Sincerely,

Scott P. Bowman
School Board Member
Princeton Public Schools, ISD 477
