

2023-2026 Audit Survey

The Texas Education Code (TEC) §37.108(c) requires school districts to report the results of their safety and security audits to the district's board of trustees and to the Texas School Safety Center. The district must maintain a copy of the report signed by the district's board of trustees and the superintendent.

Section 10

Audit Survey Signature Page and Summary of Responses

Below is a summary of your audit survey responses. Please review the responses, electronically sign, and select the "Print to PDF" button to print the audit survey responses for the school safety and security committee to review and for the board of trustees and superintendent to review and sign. Those signatures may be collected in the "Required Signatures" box below.

You must return to the audit survey to complete the submission prior to the September 15 deadline. The individual responsible for submitting this report will be required to attest yes or no to the following questions after printing the report:

- The data reported in this survey is accurate.
- A copy of this survey data has been reviewed by the school safety and security committee.
- A copy of this survey data has been reviewed and signed by the district's board of trustees and the superintendent prior to submitting it to the Texas School Safety Center.
- The signed copy of this survey data will be maintained by the school district.

The attestation is on the following page and must be completed prior to submission.
