

ISD 698 Floodwood School District

Principal Report

Mrs. Amanda Fjeld

July 27, 2026

World Class Education

- All certified staff positions filled!
- Setting up and conducting para interviews soon. Hoping we will have custodial applicants soon as well.
- Signing up new staff with required training to be in compliance with the READ Act. The new 6th grade teacher needs to complete all of the LETRs training and the new high school special education teacher needs to complete the 2nd half of LETRs.
- Ms. Richards has begun STRIVE, the training required by MDE under the READ Act for Phase 2 staff.
- Working through the process to implement a new math intervention to support the gaps in our students' math knowledge.
- Committed to using iObservation to support teacher observations and growth.

Safe and Nurturing Environment

- CPR/AED training scheduled for Sept 1st with staff during inservice week.
- Reviewed staff and student handbooks and updated/adjusted where necessary.

- Completed the Check and Connect training and will work with Mrs. Ruzynski during inservice week to identify which students would benefit most from this service.
- Gathering information to apply for the Building and Cybersecurity grant.
- Working with John Stone on getting the small gym waxed prior to the start of the school year.
- Putting a resource together to support staff with different student behaviors.
- Met with Mr. Larson with 4.0 to review expectations and transportation plans for the new school year. They have a new lead bus driver, Mrs. Young has retired from this position.

Opportunities for Students

- Continue to partner with IASC for course offerings in the new school year.
- coordinating with Cromwell-Wright to have our pep band play with their pep band for home football games.

Fund a 21st Century Education

- Title I application completed and submitted. It was returned for minor fixes.
- Working with MDE to help with some purchases to ensure we are using the remaining funds from Title I from the last application.

Community Engagement

- Planning on having a 4.0 bus in the fair parade to promote the start of school and Back to School Night.
- Floodwood Baseball field was used for the annual Catfish Days softball tournament.

Communications and Marketing

- Sent out communication to families regarding the coming school year, updates with staff, survey link and more.
