Jim,

I talked earlier in the year to Jen Waldorf, but I realize I forgot to send you anything "official" if you need it:

Due to the crazy stage of my life with my kids and their activities, I need to submit my resignation for coaching girls tennis in the fall. It is a program I would love to be a part of again in the future, but need to step back from for now.

Thank you for all your support this year. You really are amazing! You have been stretched and stretched, but I still felt the most supported while coaching tennis than from any other AD. I hope you know just how much we all appreciate you and all that you give to our district. We are very, very blessed!

Make sure to take plenty of time for yourself this summer! You have more than earned it!
