Re: High School Principal Report November 2022

Greetings from HHS!

We are wrapping up the Fall sports and events these last couple of weeks heading into Thanksgiving Break. It feels like we went from Summer to Winter in a blink! This month we have had some special Senior Projects here at HHS. I am very proud of our seniors for the work they have done and the time they have put into providing positive messages for our student body. We have also had some great projects that will contribute to the community for many years to come. A big thank you to the community for supporting these projects and to the mentors that have helped them take place.

Several of our administrators were able to attend the Charlotte Danielson Evaluation training this past week and it was nice to visit with surrounding area admin and teachers around the topic of teacher evaluation. It's nice to get other schools' perspectives on the topic as well as to reflect and to know how great we truly have it here in Homedale with the people that we get to work with.

This month we will be focusing on our PBIS theme of Safe as we head into the Holiday season. We want to encourage all of our students as well as community members to be safe during the Holiday season and to be mindful during one of the busiest times of year.

Looking forward to a great November and December!

Matt Holtry

Fall Enrollment-

Freshman- 117

Sophomores- 103

Juniors- 103

Seniors- 88

Total Students- 411
