Re: Middle School Report

- We had a very smooth finish to the school year. The staff did a great job if engaging students to the end of the year.
- No summer school will take place due to staffing. Last summer we invited 41 students and 8 agreed to attend. Four students were brought back this week to complete work to due to failing a core class and completed their Minimum Outcome work.
- Currently all MS positions are filled.
- The 2023-24 schedule has been completed. But we need two long term subs for the fall.
