RE: Inclement Weather Days

Welch Public Schools was out of school for inclement weather (Snow) for Wednesday, February 23rd, Thursday, February 24th, 2022. We will update our Wengage Student Information system to reflect these three days as no school for school sites.

Our board of education approved a 1080-hour school calendar and enough hours are included to not have to make up days.

Sincerely,

Jeremy Ramsey, Superintendent
Welch Public Schools
