

Throwback to the Best Night of the Year!

This year's prom took students on a rad trip back to the 1990s, and it did not disappoint! Students had a blast with a DJ who spun the greatest hits of the decade and students snapped photos in the photo booth with the best props. It was a night full of laughs, bonding, and smiles. To everyone who helped plan, decorate, chaperone, and celebrate, you made it absolutely unforgettable for our students!

Memorial Day Celebration

This past Memorial Day, our students went to the Merlin Community Park to reflect on the true significance of the holiday. While visiting the park, the students had the distinct privilege of listening to two special guest speakers. These speakers shared their insights and personal perspectives, helping our students understand that Memorial Day is much more than just the unofficial start of summer—it is a solemn time to honor, remember, and express gratitude for the brave individuals who made the ultimate sacrifice while serving in our country's armed forces. A heartfelt thank you to our guest speakers for dedicating their time to share such an important and grounding message with the next generation!

SOSA Hiking Field Trip

A group of our students hit the trails for an unforgettable hiking field trip to Limpy Creek- and what a day it was! Students explored winding paths through lush scenery, saw some fascinating plants, and got to experience a time of bonding with big smiles on their faces. Here's to closing out a great year with our SOSA students!
