Re: High School Principal Report June 2026

Greetings from HHS!

As we close the 2025-2026 school year, I am pleased to report that Homedale High School has successfully completed another outstanding year of learning, growth, and achievement.

One of our greatest accomplishments is that all 102 members of the Class of 2026 met their graduation requirements and received their diplomas. We are incredibly proud of this group of graduates and excited to see the positive impact they will make as they pursue their future goals in college, careers, military service, and beyond.

While we celebrate the accomplishments of this year, we are already hard at work planning for the 2026-2027 school year. Our focus remains on continuous improvement and providing opportunities for every student to grow academically, socially, and personally. We will continue building upon the foundation of the Homedale Way, emphasizing character, responsibility, service, leadership, and the development of well-rounded student citizens who represent our community with pride.

The successes of our students and school would not be possible without the dedication of our staff, the support of our families, and the continued commitment of the Homedale School Board. Thank you for your unwavering support of Homedale High School and for investing in the success of our students and employees.

As summer begins, we wish everyone a safe, enjoyable, and restful break. We hope this time provides an opportunity for relaxation and rejuvenation before we begin preparing for another exciting school year. We look forward to welcoming students and staff back as we continue moving Homedale High School forward during the 2026-2027 school year.

Matt Holtry
