District Curriculum

The Board believes it is necessary to continually develop and modify the district's curriculum to meet changing needs in technology and fields of knowledge and to assure the full, rounded and continuing development of students. While keeping with the requirements of state law, the Board authorizes the superintendent, in consultation with staff, parents and the community, to review the curriculum and to advise the Board on needed curriculum changes. Decision making within the curriculum review process should also be based on reliable data collected through a comprehensive assessment of needs. The assessment should include, but is not limited to, evaluation of student performance using appropriate measurement tools and procedures, surveys of parent perceptions and professional staff recommendations.

The Board or a committee or administrator responsible for making a decision for regarding the use of textbooks or other instructional materials must not prohibit the use of or refuse to approve the use of textbooks or instructional materials on the basis that the textbooks or instructional materials include a perspective, study or story of, or are created by, any individual or group identified in ORS 337.260.
