Re: Board Update

Since we last met:

- Overall the transition back to all students has been great. While we may have a few hiccups throughout the transition, our students and staff are all happy to be back.
  - A big thank you to our students for being excellent in wearing masks and following our procedures that we've had to put in place.
  - Also a big thank you to our kitchen staff who are going 100 miles an hour during lunches. We created another option for our students to reduce the line and it's worked great.
- SnoFest went well. Congrats to Lily Karg and Carlos Jones for being selected as Queen and King
- FFA week as a great success. Thank you to the FFA for all they do. The appreciation lunch is being planned to happen late in the year when we can be outside.
- ACT exam occurred on March 2nd. 49 students ended up taking the exam.
- 27th the MS/HS science teachers worked together to break down the new standards and plan for a move on the science curriculum.
- This week is Social Worker Week. Thank you to our social workers and all they do!
- We are now in the planning stages of prom and graduation along with end of the year activities. What those look like and how they are held will all be based upon the restrictions in place at that time and within the time of planning.

Respectfully Submitted,

Jason Mix
