**TERMS AND CONDITIONS**

- Payment Terms are to be approved by Irwin Seating Company

**Unless otherwise noted:**

- This proposal is subject to Irwin Seating Company Standard Terms and Conditions.
- This proposal is based upon the use of standard Irwin Seating Company products, manufactured using standard Irwin Seating Company methods.
- This proposal is based upon the use of the referenced fabric, and standard paint, plastic, stain and laminate selections. Options or special details are only provided to the extent specifically listed in this proposal. If any of the above specifications change, alternative pricing must be quoted.
- Pricing is based on floor mount chairs mounted to concrete unless specified otherwise in this proposal.
- Pricing is based on minimum average row length of 10 chairs.
- Pricing is based on 54" wide fabric without a pattern or direction orientation specified. Railroaded (directional) fabrics or fabric with repeats may result in additional costs.
- Pricing is F.O.B. job site and includes freight and installation. Sales tax, performance and payment bonds are not included.
- If applicable, sales tax will be charged based on the tax rate in effect at the time of billing. For tax exempt orders, please provide Irwin Seating Company a copy of your tax exempt certificate along with your purchase order for review and approval.
- **Pricing provided is based on manufacturing and shipment of as indicated above. (AUGUST, 2026) Irwin Seating Company reserves the right to modify pricing should manufacturing and shipment of be delayed.**
- If the order goes into storage, payment will be required for the stored materials.
- Adherence to project milestones as outlined in the critical date schedule is required to meet requested shipment dates.
- Our quotation is based upon the following concrete specifications: (if applicable)
  - 1) Floor mounted chairs must be 3" thick free from obstructions for top 1-1/2".
  - 2) Riser mounted chairs must be 4" thick free from obstructions for 2-1/2" from riser face.
  - 3) Riser to be plumb + or - 1/8".
  - 4) Normal weight concrete to be compressive strength 3000 PSI (structural concrete).
  - 5) Structural light weight concrete is acceptable if it is 5000 PSI minimum and weights 90-115 pounds per cubic foot.
  - 6) Screed is not an acceptable anchoring base. If screed dimension exceeds 1", special installation hardware and procedures may be necessary.

Any deviations from the concrete conditions mentioned above may result in additional installation charges, the need for alternative anchoring, etc. Installers need to be able to easily drill through the screed to reach clear structural concrete.

- Our quotation is based upon the following wood specifications: (if applicable)
    - 1) Minimum of 1-1/2" thickness
    - 2) Construction:
      - A. PLYWOOD: (Minimum Requirements)  
C-DX underlayment; Plug and touch sanding; Tongue and grooved
      - B. FLOORING: Sub floor plus hard wood (tongue and groove) finish flooring.
    - 3) Method of Fastening: No. 14X2" Hex washer head S.M. screw
- NOTE: Wood construction for riser mounting is not recommended.
- Any deviations from the conditions mentioned above may result in additional installation charges, the need for alternative anchoring, etc.
- Pricing is valid for 60 days from date of issue. If purchase order is not received within 60 days of this quote date Irwin Seating Company reserves the right to reissue the quotation with adjusted pricing.

If you have any questions, please contact your Irwin Seating Company Project Administrator for clarification.

# Indoor Product Warranty

Irwin Seating Company (“Seller”) warrants to the original purchaser (“Buyer”) its indoor fixed seating products against defects in material and workmanship from the date of shipment / substantial completion until the applicable time periods set forth below.

Component	Warranty Period
Structural Standards	5 Years
Operating Mechanisms	5 Years
Plastic, Wood and Painted Components	5 Years
Upholstered Components	1 Year
Electrical and Power Components	1 Year

Seller at its option will either repair or replace with a comparable product within commercially acceptable standards any product which fails under normal and reasonable use for which the product is intended, provided such failure and written notification of such failure to Seller occurs within the applicable time period set forth above and that Buyer has paid the full project price. Alternatively, Seller may refund the purchase price paid for the returned defective product. Damage or repairs arising from abuse, accident, vandalism, improper installation, or alteration of the product subsequent to sale, shall not be considered to be a defect in material or workmanship. Notwithstanding anything to the contrary herein, this warranty shall include materials and freight for the applicable time period set forth above except Seller shall also pay for labor during the first two years of the warranty period.

**THIS WARRANTY SHALL BE IN LIEU OF ANY OTHER WARRANTY, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THE OBLIGATION OF ANY SURETY SUPPORTING THIS WARRANTY CEASES ONE YEAR FROM THE DATE OF SHIPMENT / SUBSTANTIAL COMPLETION.**

Buyer’s sole and exclusive remedy against Seller shall be for the repair or replacement of defective parts as provided herein and no other remedy (including, but not limited to, incidental or consequential damages for lost profits, lost sales, injury to person or property, or any other incidental or consequential loss) shall be available to Buyer. The sole purpose of this exclusive remedy shall be to provide Buyer with free repair and replacement of defective parts in the manner provided herein. This exclusive remedy shall not be deemed to have failed in its essential purpose so long as Seller is willing and able to repair, replace or refund the defective parts in the prescribed manner.

Buyer is responsible for regular maintenance of the products. “Regular maintenance” includes tightening of any loose assembly and attaching hardware, replacement of damaged components, cleaning of upholstery and other finishes (in the manner outlined by the manufacturer of the fabric / finish), inspection of product components (including assembly hardware, moving parts and anchoring devices) and removal of dirt on any powder coated steel, especially on attaching footplate. This work shall be performed at reasonable intervals based on frequency of use, but at least every six (6) months. Strenuous use requires weekly inspection. All hazards are to be corrected prior to further use.

Failure to give notice of any defect within the applicable time period or the failure to perform regular maintenance voids this warranty. This warranty specifically excludes and does not apply to: (a) customer’s own material and non-standard color or surface finishes; (b) color fading of product; (c) user attached accessories or customer product changes either not installed by Seller or resulting in damage or changes to the product; (d) use of product outside that of normal wear and tear, including neglect, vandalism or misuse; (e) consumable components of products (e.g., light bulbs); or (f) natural variations of parts of products, including, but not limited to color fastness and natural variations in wood.

Seller’s entire warranty is embodied in this writing, irrespective of any statements made by Seller’s salesmen, employees, or agents about Seller’s products. Any such statements do not constitute warranties, shall not be relied upon by Buyer, and are not part of this warranty. This writing is a complete and exclusive statement of the terms of Seller’s warranty and may not be modified, altered, or amended except in writing and signed by an officer of Seller.
