Survey Background

Based on the comments and feedback through the first half of the SY 2025/2026, a survey was created to further review what the students did and did not like for breakfast and lunch and additional comments.

Survey was sent via email to parents and to students in the classroom. The timeframe for survey feedback spanned the month of March, 2026.

Survey Questions Included:

- Frequency of eating breakfast and/or lunch.
- Quality of taste for breakfast and/or lunch.
- Opinion on how healthy are the meals?
- What foods do you like for breakfast / lunch?
- Is there enough time to eat breakfast/lunch?
