CONDITIONS OF SALE:

By signing this order, you are indicating that you are an authorized signatory and able to execute this agreement.

W-9 form as well as a Sales Tax Exemption or Resale Certificate must be provided with sale if not already on file with Great Lakes Ventures.

Credit can be established with Great Lakes Ventures upon receipt of completed credit application. Terms are established by Great Lakes Ventures' Accounting Team only and will be communicated upon completed review.

Warehousing includes receiving equipment and storing product until job site is ready. Warehousing exceeding 30 days beyond initial delivery date will be subject to storage charges.

Changes or cancellations made to this quotation by the Equipment Owner after equipment is ordered from the manufacturer will result in change, cancellation, crating, restocking, credit card fees/bank fees, and/or freight charges. These charges are the responsibility of the Equipment Owner.

Returns of new, unused equipment is contingent upon manufacturer's approval and their returns/restocking policy. Returns will result in factory restocking fee, 5% handling fee, freight charges, and cleaning charges, if necessary. Requests for return must be made within three days of delivery of equipment to site and prior to equipment being hooked to utilities or used. Credit will be given only after manufacturer's credit is received by Great Lakes Ventures.

Special or custom-ordered equipment is non-returnable and includes, but is not limited to, ventilation & rooftop equipment, walk-ins, counters, cooking suites, etc. Equipment hooked up to utilities or used is not returnable. Custom equipment requires 50% down payment regardless of terms established with Great Lakes Ventures.

Great Lakes Ventures reserves a purchase-money security interest in each unit of equipment or item of property listed herein in the amount of its purchase price. These interests will be satisfied by payment in full. A copy of this agreement may be filed with the appropriate State authorities at any time after signature of the Equipment Owner as a financing statement to protect Great Lakes Ventures' security interest.

When receiving drop-shipped equipment, inspect product and packaging prior to signing for it. Once accepted, Equipment Owner accepts responsibility and conditions of the product. Great Lakes Ventures assumes no responsibility for drop-shipped equipment with visible or concealed damage once product is accepted. Great Lakes Ventures may assist with your freight claim as a courtesy if notified within 48 hours of receipt of damaged product. Such assistance does not imply successful resolution of claim.

All new equipment shall have standard manufacturer's warranties unless otherwise specified.

No salesperson or agent of Great Lakes Ventures is permitted to make any verbal contract or promise that

in any way conflicts with the verbiage in these Terms & Conditions. Any modifications of these Terms & Conditions must be approved in writing by either the Sales Manager or Vice President of Great Lakes Ventures.
