MISD Employees of Feb. and March 2026

Millsap Middle School – Mrs. Nikki Yarbrough (MMS Office) – March 2026

Nikki Yarbrough joined MMS this year, and in a short amount of time she has proven to be an incredible asset to our campus. From the moment she walked through the front doors, her welcoming attitude and friendly demeanor have set the tone for what makes Millsap Middle School a great place. As one of the first faces our students, parents, and visitors see, she represents our campus with professionalism, warmth, and care. Many of you have seen our new foyer — well, Nikki is the interior designer behind it. I had a vision for what the space could become, and she took that vision and ran with it. Beyond the aesthetics, she handles the countless moving pieces of a busy front office with efficiency and grace... answering phones, fixing technology, supporting staff, assisting families, and keeping us organized behind the scenes. So if you are ever in need of a remodel, I know someone. More importantly, we are grateful she chose MMS and thankful for the positive impact she makes every single day.

Millsap High School- Jennifer Bradley (HS Science) – March 2026

It is a true honor to introduce our MHS Staff Member of the Month: Jennifer Bradley! When a four-week vacancy left our Chemistry department with a gap to fill, Jennifer didn't just step up—she took charge. Tag-teaming with a long-term sub, she essentially managed two full academic loads at once! Jennifer became the architect of student success, providing academic instruction for two classrooms and building a shared google sheet system to ensure Dr. Ford's gradebook never missed a beat, allowing me to keep those grades up to date. She saw a need, shouldered the load, and made sure our Bulldogs didn't just 'get by'—they thrived. Jennifer, thank you for your massive heart and your 'whatever it takes' spirit!

Millsap ISD Staff – Child Nutrition Services – February 2026

I am thrilled to announce February's Employee of the Month in Child Nutrition: Corrie Mitchell! With a heart as big as Texas, she takes immense pride in her role and has fostered incredible relationships throughout her time with the district. Known for spoiling her customers—both students and staff—she consistently brings her “A” game every day. When she says something is done, you can take that to the bank! Her dedication and passion truly make a difference in our school community. Congratulations, Corrie!

Millsap ISD Staff – Transportation Services - March 2026

Jake Valdez is our Employee of the Month for February. He does an outstanding job building positive relationships with students and truly enjoys each one on his bus. His dedication is evident in the way he goes above and beyond his daily responsibilities.

Jake is always willing to help wherever needed in the transportation office. He regularly assists with taking buses for inspections and is one of the few drivers who consistently volunteers for field trips at Millsap. In addition, he has supported coaches by helping them prepare for CDL driving, demonstrating both his knowledge and willingness to serve others.

Jake takes great pride in his work and exemplifies strong character and integrity in everything he does. He sets a positive example for both staff and students, and it is clear that his students genuinely enjoy and respect him.

Millsap is very fortunate to have Jake as part of the team.
