

### PROPOSED REVISIONS

<b>Attendance Areas</b>	A student shall be assigned to a school in the attendance area in which he or she resides.
<b>Class Changes</b>	The campus principal shall be authorized to investigate and approve the transfer of a student from one classroom to another on that campus.
<b>Transfers Between Schools</b>	The Superintendent shall be authorized to investigate and approve transfers between schools.
Children of District Employees	<p>A child of a District employee may transfer from the assigned campus in the attendance zone in which he or she lives to the campus at which the employee is assigned, the campus which is geographically closest to the employee's work site, or a campus within the feeder pattern of the employee's assigned campus, provided there is space and staff available for the applicable grade level.</p> <p>In accordance with UIL rules, a student who requests a transfer under this policy at the first opportunity provided by the District shall retain his or her eligibility for varsity UIL competition.</p> <p>If a District employee separates from employment with the District, their child who has been granted an intradistrict transfer shall be permitted to continue in attendance on the transferred campus for the remainder of the semester. At that time, the student may apply for an intradistrict transfer to remain at the current campus for the remainder of the year.</p>
Sibling Transfer	<p>Transfer applications shall be submitted and considered separately for each student. <del>seeking transfer, not collectively for a family. The siblings of a student who is attending a campus under an previously approved transfer may apply for transfer to the same campus. The District shall give this transfer priority consideration if the campus and grade level have capacity.</del></p> <p><u>A student granted a transfer under the sibling provision in the year of an attendance boundary change shall be eligible to continue enrollment at that campus in subsequent years, provided the student submits an annual transfer application and the campus and grade level remain within capacity.</u></p> <p><u>This provision applies only to the students initially approved under the sibling exception during the implementation year of the attendance boundary change or previously approved transfer.</u></p>
Educational Services Transfer	When required educational services for an eligible or qualified student are not offered at the campus in the attendance zone in which

the student resides, the District shall provide an educational services transfer, which shall temporarily allow the student to attend the campus where the educational services are provided.

If more than one campus offers the program, the District shall determine which campus the student shall attend. When the student no longer qualifies or stops participating in the services, the student shall be permitted to continue in attendance at that campus for the remainder of the semester. At that time, the student may apply for an intradistrict transfer to remain at the current campus for the remainder of the year.

Other Transfer Requests

The Superintendent shall be authorized to approve a written request from a parent for an intradistrict transfer for one school year only. The District shall grant for a student no more than one transfer per year. Transportation shall be provided by the parent.

Except as required by law and as provided in this policy, the reasons for which an intradistrict transfer may be granted shall be limited to the following:0)

1. The student was assigned to a new campus as a result of campus attendance zone boundary changes and will be entering the grade level(s) for that campus in the next school year. For purposes of this transfer, the written request must be submitted by the annual deadline set by the administration to be effective for the following year.
  - a. Elementary School (5th Grade)
  - b. Middle School (8th Grade)
  - c. High School (11th-12th Grade)
2. There is an extreme hardship due to family circumstances.
3. The student has a serious medical condition documented by a qualified physician, and the student's identified needs cannot be met at the home campus.
4. The student resides in a different attendance zone from where a new residence is being built within the boundaries of the District.

Transfer Revocation

The Superintendent may revoke a transfer of a student who is repeatedly tardy or absent or has multiple or severe disciplinary infractions in violation of the campus rules or the Student Code of Conduct.
