3. Ensure Safe, Efficient, and Transparent District and Campus Operations

Summary:

The district completed the Request for Qualifications (RFQ) process for Insurance Broker/Consultant Services in accordance with applicable procurement requirements. The purpose of RFQ was to identify a qualified firm to provide professional consulting and brokerage services for the district's property, casualty, liability, workers' compensation, and related insurance programs.

Following a review and evaluation of the submitted qualifications, the district's administrative team determined that McGriff demonstrated the experience, expertise, resources, and ability to best meet the district's current and future needs.

Administrative Recommendation:

I move to approve McGriff, Marsh & McClennan Agency LLC as the District's Insurance Broker and Consultant to provide insurance consulting and brokerage services for La Vernia ISD.
