

SCHOOL BOARD AGENDA ITEM SUMMARY

August 03, 2026

SUBJECT: CONSIDER AND TAKE POSSIBLE ACTION ON MAP GROWTH ASSESSMENT SYSTEM AND RELATED SERVICES PURCHASE

RECOMMENDED ACTION: Approve the purchase of MAP Growth Assessment System and related services.

RATIONALE: NWEA's MAP Growth assessment system and related services support districtwide assessment, instructional planning, and student progress monitoring. The proposed purchase includes:

- MAP Growth K–12
- MAP Growth Foundations Online Annual License
- Growth Report
- One (1) hour of virtual consulting services
- MAP Growth Science Add-On

NWEA MAP Growth is a universal screening and diagnostic assessment system for reading, mathematics, and science. The assessment provides educators with timely, actionable data to identify students' instructional needs, develop targeted intervention groups, monitor academic growth throughout the school year, and project student proficiency on the State of Texas Assessments of Academic Readiness (STAAR).

District and campus administrators, teachers, and instructional staff use MAP Growth data to inform instructional decisions, evaluate student progress, measure instructional effectiveness, and support data-driven campus improvement efforts. Additionally, the assessment assists the district in meeting state early literacy reporting requirements. NWEA is an awarded vendor on Region 10 EdTech Purchasing Cooperative for Education Software and Related Products and Services Contract# ET20211916.
