*3. Pursuant to Minnesota Statutes, Section 205A.09, the polling places will remain open for voting for school district elections not held on the same day as a statewide election between the hours of 7:00 o'clock a.m. and 8:00 o'clock p.m.

As required by Minnesota Statutes, Section 204B.16, Subdivision 1a, the clerk is hereby authorized and directed to give written notice of new polling place locations to each affected household with at least one registered voter in the school district whose school district polling place location has been changed. The notice must be a non-forwardable notice mailed at least twenty-five (25) days before the date of the first election to which it will apply. A notice that is returned as undeliverable must be forwarded immediately to the appropriate county auditor, who shall change the registrant's status to "challenged" in the statewide registration system.

(If a combined polling place is changed, the change must be adopted at least ninety (90) days prior to the first election where it will be used unless that polling place has become unavailable for use.)
