LIBRARY NEWS

OBOB: Congratulations to our Battle of the Books team who went to Regional competition on March 17th. Dakota Breyman, Audrey Cook, Teegan Anderson, Elizabeth Fithian and Emma Billings-Rice. They played two games against LOGOS Charter School and McLaughlin Middle School. Although they didn't get to continue in bracket competitions, they worked well as a team answering very difficult content questions.

BOOK Fines/Overdues

Please make sure to check around your home, your locker, and teacher's classrooms for lost or overdue books. Fines and overdue lists are provided weekly to each Language Arts teacher, and students speak with our librarian regarding their accounts. It is the responsibility of each student to take proper care of their library books and return them on time to avoid fees.

Inventory Time

The librarian is looking for a few adult volunteers to scan books in the next few months. If you have filled out the online volunteer form, please send an email to brenda.haberbman@threeivers.k12.or.us to help out during school hours. It is much appreciated!

New Books!

We have many new books in our library. Thank you to the PTO for providing funds to replace old, worn books with fresh ones, and to add to our collection! Please take care of the books so they will have a long shelf-life! Want to search for a book in our library? Go to http://destiny.soesd.k12.or.us/common/welcome.jsp?context=three_rivers.

April is School Library Month

School Library Month is the American Association of School Librarians' celebration of school librarians and their programs. Let's celebrate the essential role that strong school library programs play in transforming learning. Here is a link to some programs you might be interested in: <http://www.threeivers.k12.or.us/library-resources>.

First Book Marketplace

A special opportunity is available to parents or adults affiliated with a student attending Three Rivers School District. First Book is able to make new, high-quality books available to schools and programs like ours by partnering with the publishing industry who want to make sure children from low-income families have access to reading. A free registration will be available during conferences at Lincoln Savage Middle School in April. The school librarian will be available to answer your questions and help you fill out the form to receive free books. The books will arrive by truckload in late spring and we will be traveling to Roseburg to pick them up.
