Home Economics Fundraiser 2026-2027 School Year

I would like to do a fundraiser for my Home Economics Classes to raise funds for supplies we use in the classroom throughout the year. The supplies we need are fabric, sewing supplies, items for other projects such as cooking/baking in the kitchen and other classroom activities.

The fundraiser would be a community wide cookbook.

A person may submit a recipe for \$2.00 or 5 recipes for \$6.00

We would not only promote this on social media platforms, but also

By having a booth at the fair and through going and talking to people about putting recipes into the book.

We would sell the books for \$25.00

They would be in a Mini 3 ring binder with tabs to divide the different categories.

The cost to make the books would be under \$10.00 per book.

We would do this fundraiser starting September 1, 2026
