Board Members,

Please see the Middle School report below for the School Board Meeting on: March 10, 2025. Please let me know if you have any questions. Unfortunately, I will not be able to attend the board meeting.

All students perform at or above expectations

- 5/6 reading teachers are beginning to implement several parts of CORE reading. The MS literacy team will be meeting next week to determine the plan for full implementation next year.

All students feel they belong and are supported

- We raised \$6,077 for our Food for Kidz packaging day. This will pay for 24,308 meals. Our goal is to pack 40,000.
- March 21, Teachers vs Students reward day. The winning grade level volleyball and basketball team will compete against the teacher team.

Effective and efficient use of resources

- Work has begun on next year's middle school budget. We continue to find ways to do more with less.

Demonstrate HLWW school communities as the BEST choice for students, staff and residents

- Student Led Conferences and book fair were Feb 20th and 24th. We had an exceptionally good turnout for conferences. Our students did an amazing job of explaining their achievements to their parents.

Create and maintain a collaborative culture, focused on learning and results

- Many of the 7th and 8th grade teachers are finishing their collaborative team 15-day challenge.
