

**TO: Weber Board of Education and
Superintendent Gina Butters**

FROM: Weber School District Fees Committee

DATE: April 22, 2026

SUBJECT: 2026-2027 SCHOOL FEES AND SPEND PLAN-2nd READING

The District Fees Committee is seeking Board of Education approval on the School Fees and Spend Plan for the 2026-2027 school year. We are asking for the Board to acknowledge the suggested changes made to these fee schedules.

You will find the updated changes from the 1st reading indicated in blue on the first 5 pages of the document. Those changes in blue are due to requirements from HB 142, Board feedback to differentiate between school curricular clubs and CTSO's, updated max aggregate wording, and a proposed increase to the approved school organization out of state trip. All changes on the fee schedules are indicated in red.

For your information, changes have been made to all of our 2026-2027 fees schedules to align with the state policies. (HB142) will limit a waived student to no more than 2 trips and a maximum of waivable fees.

The District Fees Committee believes this updated Fees Schedule and Spend Plan creates transparency for the schools, students and communities, it also creates equity for all students.

Based on this information and barring any public comment or concern, the Weber School Fees Committee is requesting the Board to accept the suggested changes for the 2026-2027 school year Fees Schedules for a second reading.

Professionally,

**Rob Lake
Asst. Dir. of Secondary Education**
