### Elementary Touchpoints

#### April Board Meeting, 2024

Winsted's School of Excellence celebration went well! It was a fun and meaningful opportunity to share our hard work and good news. We had a surprise virtual message from Adam Thielen, former MN Vikings player. Fun for the kids! 😊

Title I Family event will be tomorrow, April 9, hosted at Humphrey Elementary and will include all families that receive supports in Title I services across the district—Humphrey, Winsted, St. James and Holy Trinity. We are going to have a "Glow Party" and have some fun & creative math and reading activities to support family learning. If our RSVPs are accurate, we have almost doubled our attendance from the last few years. Looking forward to a successful event!

Next week (and the following) we will conduct our MCA's for grades 3 and 4. Reading is April 16-17 and Math will be April 23-24. Extended times are available for students that may be absent or need additional time. We are ready to show what we know and are cautiously optimistic for our results.

Field trip season! We are taking learning on the go in April and May. Grade levels will be participating in many different on campus events and several field trip experiences. Opportunities off site include the MN Zoo, Childrens' Museum, Oliver Kelley Farm, local library visits, and guest speakers sharing their areas of expertise.

Respectfully submitted—

Jen Olson
