

**Executive Summary  
Procedures for Retention  
Presented by Kimberly Britton  
September 11, 2018**

Beginning in the 2018-19 school year, TPSD k-2 schools will retain students based on grades only. Promotion to the next grade in grades k-2 was previously dependent upon the following: grades, STAR scores, Classworks, and District Common assessments. We made this decision after reviewing requirements from the MDE. K-2 principals, along with their teachers, have replaced the indicator sheet with an information sheet.
