BOARD MEETING MEMORANDUM

Board Meeting Date: July 28, 2026
From: Aron Borowiak
Re: Overnight Field Trips
Agenda Location: Information/Discussion

Rationale:

Changes to Camp Timber-lee's overnight participation requirements have prompted the administration to review the District's current practices for overnight field trips and camps.

The administration will provide the Board with an overview of the updated requirements, research regarding best practices for student safety and supervision, and information about how other school districts manage overnight student experiences. Following this review, the administration will present recommendations regarding future overnight field trips, including the annual Camp Timber-lee experience.
