## **RE: Proposal for Transportation Management Services**

Dear Michelle,

Thanks for the opportunity to work with Nova Classical Academy. As we discussed, I will provide oversight of your transportation services for the 2026-2027 school year. The following is what I think would be best for your school.

### **Transportation Oversight:**

- Provide on-going Transportation Oversight that includes periodic route and service reviews.
- Work with the Contractor in understanding the goals of the school and how the transportation staff can help support those goals.
- An ongoing review of all school policies and procedures regarding transportation.
- Negotiate contracts with service providers as needed.

The cost of this service will be **\$18,000 for the 2026-2027 school year.**

**Payment schedule: \$18,000 due July 15, 2026.**

Thanks for the opportunity to present this proposal. As authorization to proceed, please sign both originals and return one to Oswald Transportation Consulting Services.

I have carefully reviewed the above cost proposal and authorize Oswald Transportation Consulting Services to proceed according to this proposal.
