Re: Middle School Report

- Personnel
Paraprofessionals – 2 para position remains unfilled.
- Our new teachers are off to a great start. The extended time for the new teacher day was very beneficial.
- We have had a great start to the school year. Students and staff have quickly settled into their routines. Starting before Labor Day also contributed to the successful start.
- Enrollment. Currently at the middle school we have 30 new enrollments and 13 withdrawals
- STARR testing and reading screening tests are nearly completed. This data will be used for student interventions. Launch will begin on September 13, and WIN will begin on September 20.
- September 14, the 5th grade will travel to Ney Park for a day of environmental learning.
- September 29th is picture day.

If you have any questions about these activities or anything else please feel free to contact me.
