Dear John:

It's hard to believe another school year has passed. Quest Management would like to confirm our renewal for the 2026-27 school year with District 111, under the terms and conditions set forth in the contract signed between District 111 and Quest on December 20, 2024.

We look forward to our continued partnership in serving high-quality meals to your students, staff and administrators. Quest would appreciate it if you could sign this as form as an agreement that Quest will be your food service provider under the current contract for the upcoming school year.

We look forward to embarking upon the next step in partnership with you in this new agreement and continuing to advance the District 111 program forward.

Sincerely,

Nick Saccaro
CEO
