Heuer gave an example of what potential additional costs could be. Superintendent Sellner indicated if we can get the base approved and then we will work with the company to figure out the other potential costs once we are able to start pulling data. Heuer indicated the motion is to approve the base quote from School Perceptions; Scheuch asked if we decide not to go forward with a levy is item C null and void. Sellner reported the survey is designed to help the district decide on whether or not to go out for a levy vote. Koch also indicated it would be way to communicate information to everyone. Motion passed unanimously.
