Fiscal Responsibility

The District shall maintain a high level of financial stability and shall not compromise its long-term financial integrity to achieve short-term benefits. The District is committed to conducting the work of the District in a fiscally responsible way and taxing only to the extent necessary to adequately fund the District. The District shall work to reduce the overall tax rate when it is able to do so while maintaining the high standards of excellence expected in the District. If the overall tax rate will increase by more than four percent, the qualified voters of the District by petition may require that an election must be held to determine whether to ratify the tax rate unless the increase is the result of a voter-approved bond, a tax-ratification election, or legislative action.

A petition under this provision is valid only if it:

1. States that it is intended to require an election in the District on the question of ratifying the tax rate adopted for the current year;
2. Is signed by a number of registered voters of the District equal to at least seven percent of the number of registered voters of the District according to the most recent official list of registered voters; and
3. Is submitted to the Board on or before the 90th day after the date on which the Board adopted the tax rate for the current year.

Not later than the 30th day after the day a petition is submitted, the Board shall determine whether or not the petition is valid and pass a resolution stating its finding. If the Board fails to act within the time allowed, the petition is treated as if it had been found valid.

If the Board finds that the petition is valid (or fails to act within the time allowed), it shall order that an election be held in the District on a date not less than 30 days or more than 90 days after the last day on which it could have acted to approve or disapprove the petition.
