Welcome Spring!

Let's embrace the sunshine and fresh beginnings that Spring brings to our community!

Family Literacy Night

Lisa Terry from the Glacier County Extension Office came to host our Family Literacy Night. She read a book about fibbing and students made a book mark.

Basketball Fever

Our last basketball game of the year was the 23rd. We had a great season and had games in town and in Babb weekly. We were treated to Subway each trip to town.

Some of our older girls are excited to play softball with BMS.

Math & Writing

Our 6th graders are learning about fractions and percents.

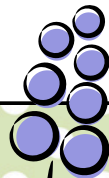

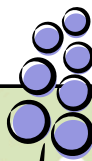

Our 5th graders are practicing volume.

Our 3rd graders are learning about fractions.

In writing we are working on word choice.

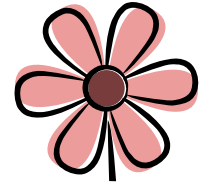

Park Rangers

With the rangers being so close to our school they visit often and do many activities with us.
