While we will not have the results of AK-Start until July, below is our achievement results from this testing round.

It is super encouraging to see less red and numbers in the 40th-60th percentiles!

PreK

We only have a couple more adjustments to the Pre-K Handbook to be in a position to be awarded formula funding. We will be off of conditional! A bit thank you to Jeannie who did a lot of the work to ensure the indicators were all met.

We have submitted the handbook as a draft until it is approved by the board.
